1 Yr. Clump of 3 Rhizomes—Marie Caillet

1962

CHARLES, JOYCE & CHUCK ARNY

LAFAYETTE, LOUISIANA

Lafayette, La.

8/27/62

DEAR IRIS FRIENDS:

Many people have the idea that these iris must be planted in a pond or bog. This is a mistake, these plants will grow and do well in any flower bed that will grow other perennials well. It is true that Louisiana Iris love organic material and moisture, but these can be provided relatively easy. If you will prepare your flower bed or planting area either early in the spring or early fall using about 4 bushels of peat moss and like quantity of half rotted to well rotted manure (preferably poultry manure) per 100 sq. ft., spaded in thoroughly together with 3-5 pounds of a good balanced commercial fertilizer such as 8-8-8 or 12-12-12 or any recommended by the horticultural authorities of your area, you will produce some good iris. It would be a good thing to prepare this planting area far enough ahead of time to allow it to settle for two weeks before planting.

Now place your iris rhizomes in your flower bed so that the terminal shoots face the direction in which you want them to grow. The rhizomes should be set deep enough to be covered with not more than about 1½ inches of soil after the bed has settled. Space the rhizomes 10-18 inches apart where planted with the idea of leaving in place for more than a year. Immediately after setting out your iris rhizomes, cover with a 4-6 inch mulch of some sort. This mulch serves to conserve moisture and helps to control grass and weeds in flower beds.

Here are few important things to keep in mind if you are going to succeed with Louisiana Iris.

1. Unless your iris multiply you are not going to get bloom. This is because only the newly formed rhizomes flower. The old rhizomes is good only for multiplication. Your iris may continue to live, but unless you produce vigorous new rhizomes no blooms will appear.
2. If planted too deep they will not bloom. Don't plant over 2" deep at most, use heavy mulch instead of deep planting.
3. Do not allow rhizomes to be exposed to direct rays of sun in the hot weather (mulch).
4. These plants do best where they have at least ½ day of sunshine, preferably in the morning.
5. For best growth and development make sure these plants have food and moisture in the fall and spring when they make most of their growth.

Best wishes The Army's

INTRODUCTIONS

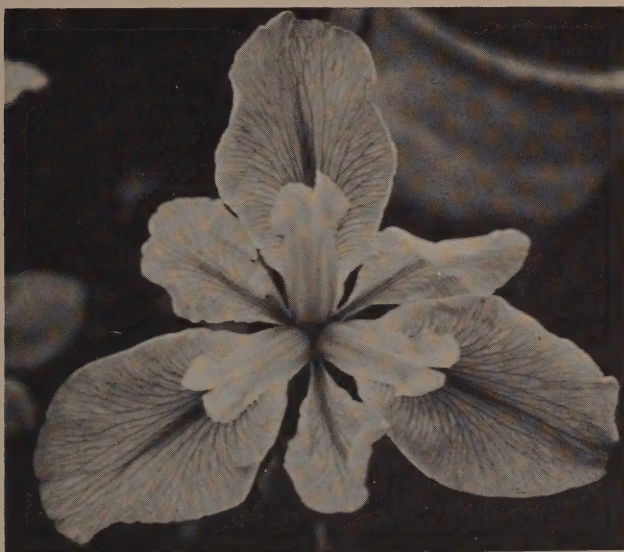

It is our pleasure to call your attention to the new introductions we are happy to be able to offer for Mr. Frank Chowning of Little Rock, Ark., and Mr. G. W. Holleyman of Lake Charles, La.

Mr. Chowning's, *Pristine Beauty* is the bluest blue I have seen and with its *foliosa* breeding it should offer great possibilities for growing Louisiana iris in regions to the north.

Mr. Holleyman's *Honey Bunch* is I believe one of the best if not the best purple iris produced to date. Its flat full form together with the contrasting deep purple and bright yellow crests makes it most attractive.

Of our own creations I would particularly call your attention to *Katherine Cornay* and *Tressie Cook*. These iris are named for two ladies whose friendship and devotion to iris and iris friends ever overflows. No iris gathering would be complete and rewarding without them. It is our hope that the iris named for them may in some small way contribute happiness to iris lovers.

Before closing let me say a word for the future. You have seen or heard of the beautiful yellow, G. W. Holleyman, the lovely rose red, 1962 Civic Club award winning iris *Ruth Anne*, of Nolan Sahuc and possibly of Sidney Conger's rose pinks *Fresh Frills*, Carrey Kathern, *Rose Revery* and his buff colored *Honey Mist* these and others too we hope to have for your enjoyment in the near future.

Katherine L. Cornay — Arny 1962

PRISTINE BEAUTY (Chowning 1955)

Parentage — (Arkansas *Foliosa* x Cathedral Blue Hexagona) x (*Foliosa* x Abbeville Red)

This little ultramarine blue beauty has five-inch flowers with brilliant gold signal patches, flowers are born on 16 inch stems with three flowers open at a time. *Pristine* is exceptionally vigorous and increases rather rapidly, is desirable for both garden and flower arrangements. This iris has been widely grown and has performed well in different geographic regions. The apparent hardness and intense beauty of the color of this iris make it an iris to note.

Price per rhizome\$5.00

three (3) rhizomes\$10.00

Special prices quoted on request for larger orders.

HONEY BUNCH (Holleyman 1962)

Large flat uniform deep purple, flowers born on strong 3 ft. stems five bud positions. The outstanding features of this iris are its uniformity of color and the flat overlapping form. Few iris I have seen exhibit these features in the purple class. Sepals are marked with bright yellow steeple shaped crests which against the purple background is most noticeable. Midseason to late. Price per rhizome\$10.00

Honey Bunch — G. W. Holleyman

KATHERINE L. CORNAY (Arny 1962)

Parentage — (Louise Arny x collected G. C. Orchid) x Her Highness

Striking Bi-tone Mineral violet colored flowers with pure cream to white style arms having lacey tips. Flowers are large, ruffly slightly fluted and rather flaring. Flowers are born in 36 inch to 40 inch stems at 5 bud positions and branches. Midseason. Civic Club Award for best unregistered iris in Society for Louisiana Iris Show 1961. 1st place in pastel class 1961 and exhibition certificate 1961.

Price per rhizome\$15.00

TRESSIE COOK (Arny 1962)

Parentage — (Louise Arny x King's Gold)

For a flower show in the garden this pale orange yellow flat to slightly cupped 5" iris will fill the bill. This plant has a height of 3½ feet and flowers mid-season to late. Very good bloomer.

Price per rhizome\$15.00

Tressie Cook — Arny 1962

GULF SURF (Arny 1962)

Parentage — (Louise Arny x Dora Dey) x Joy Roberts
Seedling No. II-62 H.C. 1962

An unusual pale blue self, flowers very full, floral parts over lapping born on strong 2½ foot stems. Sepals marked by prominent deep yellow crests surrounded with white except at the tip of the crest where there is a deep blue dot. The form and uniformity of the color together with the breeding behind this iris may interest many.

Price per rhizome\$15.00

Gulf Surf — Arny 1962

PINK HONEY (Arny 1962)

Parentage — (Louise Arny x June Clouds)

Hold your breath, its a beautiful pale pink, flowers are slightly fluted ruffly and cupped. Flowers born on strong 3 ft. stems at five bud positions and branches. Color appears to hold fast. If pastels appeal to you this may be to your liking.

Price per rhizome\$15.00

Pink Honey — Arny 1962

SOLAR LIGHT (Arny 1962)

Parentage — (Holley blue x Buttercup) x (5-58 Louise Army x June Clouds)

Medium size, rather flaring, cream white, compact overlapping form of this flower together with the branching and numerous bud positions make this iris a little gem. Flowers born on 3 ft. strong stems, great flower substance blooms midseason to late.

Price per rhizome\$10.00

RAINBOW INN (Arny 1962)

Parentage — (Breeders blue x Strutting Canary)

This two foot high iris is a real novelty. Flowers are large flaring bitone pale cream to light yellow with blue purple veining, sepals well marked with orange yellow crest.

Price per rhizome\$5.00

BAYOU BLUE (Arny 1962)

Parentage — (Puttytat x Wheelhorse)

Strong violet blue, 5" flat flowers born on strong 3 ft. stems at four bud positions. This flower is most striking because of the fact that the base of both sepals and petals have white radiating out of the end of the style arms. Style arms are almost white. Flowers well marked with yellowine crests. Midseason to late.

Price per rhizome\$3.00

CHARLIE'S GOLD (Arny 1962)

Parentage — (Breeders Blue x Strutting Canary)

Bright yellow (2.5Y 9/9) flat six inch flowers born on 2½ ft. zizzag stem well placed with two or more flowers open at same time. This yellow holds well in hot sun. This is a fine garden variety and lends itself well for flower arrangements. Second place in yellow class at Society for Louisiana Iris Show 1959. Exhibition certificate 1959. Seedling No. I-59.

Price per rhizome\$3.00

POTATO CHIP (Arny 1962)

Parentage — (Louise Army x King's Gold)

A strong yellow brown flat 4" flower born on 2½-3 foot stems about midseason. Something new in color.

Price per rhizome\$3.00

**PREVIOUS INTRODUCTIONS AND VARIETIES
OF OTHER BREEDERS AND COLLECTORS
Red to Terracotta**

ACADIAN (Caroginia x Peggy Mac) Reg. 1956 H. C. 1959
18" to 24" in height. The luminous velvety-rich
Burgundy-red of this flower has been acclaimed as its
outstanding virtue. By contract to the vivid sepal the
petal is basically a mauve heavily veined and splashed
the same Burgundy. The signal patch consists of a short
linear signal of old gold that is almost inconspicuous.

Price per rhizome\$2.00

CAPTAIN BILL (Rose & Wine x Peggy Mac) Reg. 1956.
30" to 36" in height. Bright Claret red that flames in
the sun with an almost white petal. Tall, Stately, com-
manding in posture. Fine bladeliike foliage.

Price per rhizome\$2.00

UPSTART (Dormon 1951)

Light crimson self with bright yellow signal. H. M.
AIS, 1956.

Price per rhizome\$2.00

PLUM GOOD (Nelson, 1945)

Plum red with a large golden signal patch. A brilli-
ant Iris. Height 30". Iris of the year 1946. La. Iris Show.

Price per rhizome\$2.00

WHEELHORSE (Dorman) MSD 1958

A sensation at 1958 Society for Louisiana Iris Show.
Huge 6", rose colored rather flat to flaring flower, ex-
cellent bud placement. Grows 3½" tall.

Price per rhizome\$2.00

CHUCK (Butter Brickel x Signal) Army, Reg. 1958, H.M.
1958

Very dark brilliant red velvety-textured iris with
five inch rather flaring flower. Flowers are borne on a
strong 30 inch stem and on lateral branches. Blooms
Midseason to late. First place in color Class—Society
for Louisiana Iris show 1955.

Price per rhizome\$1.00

CHERRY BOUNCE—(Nelson, 1946)

H.M., A.I.S., 1950; M.S. D 1951, A flaring wild cherry
red self with metallic luster. Magnificent in the bright
sunlight. Height 34".

Price per rhizome50

ROYAL GEM—(Smith, S., 1947)

H.M., A.I.S., 1951; A.S.I. Press Cup Award 1951,
Large red velvet with yellow signal. Very floriferous.
Height 32".

Price per rhizome50

Chuck — Army 1958

BLUE

MARIE CAILLET (Acadian x W. B. MacMillan)

Reg. Pend 36" to 40" in height medium blue-violet sepal with large rounded signal patch that overlap in the center of the flower to make a campanulate formed flower. Wide petals stand erect as in a bearded iris, are lighter blue violet. Vivid red-violet style arms with spread imbricated claws add depth and contrast to the lower. Sturdy erect stalk contains not less than seven and as high as twelve flower buds. Multiple branching of stalk is frequent.

Price per rhizome\$8.00

New Offering — Davis 1959

NEW OFFERING (Davis) H.M. 1959

Large, full, flat flower of dark blue violet, heavily veined prunella violet. Vigorous and rust resistant. Under the number 55-2 it placed first in the blue class in 1957 at state show of Society for Louisiana Irises. H.M. 1959.

Price per rhizome\$5.00

RUTH HOLLEYMAN (G. Holleyman 1952) H.M. 1955

One of the most outstanding Iris it has been our pleasure to see. A giant among giants. Medium blue, flaring form, wonderful substance. The first and only known "Triploid" 60" to 70" tall. Midseason.

Price per rhizome\$5.00

CREOLE CAN-CAN (Granger 1956)

A true double. Large, attractive blue flowers on a vigorous plant.

Price per rhizome\$3.00

BLUE CHIP—(Smith, S., '50). H.M. '51. MSD 1957.

The 6-inch flowers of hyacinth-blue have the form of Peggy Mac, long acknowledged the most perfect form of Abbeville type. The 36-inch stalk with lateral branching displays the blooms to perfection.

Price per rhizome\$1.00

PUTTYTAT (Arny 1958 Dora Dey x Dora Dey) H.M., 1958

This iris is a rather rich Monet Blue with almost white style arms. Flowers are about 5" across, flat form with good substance. This iris grows 28" tall, has good placement of its five bud positions. Both lateral branches and two flowers per bud position have been note. Mid-season. First place in class, Society for Louisiana Iris show 1957 and 1958.

Price per rhizome50

White

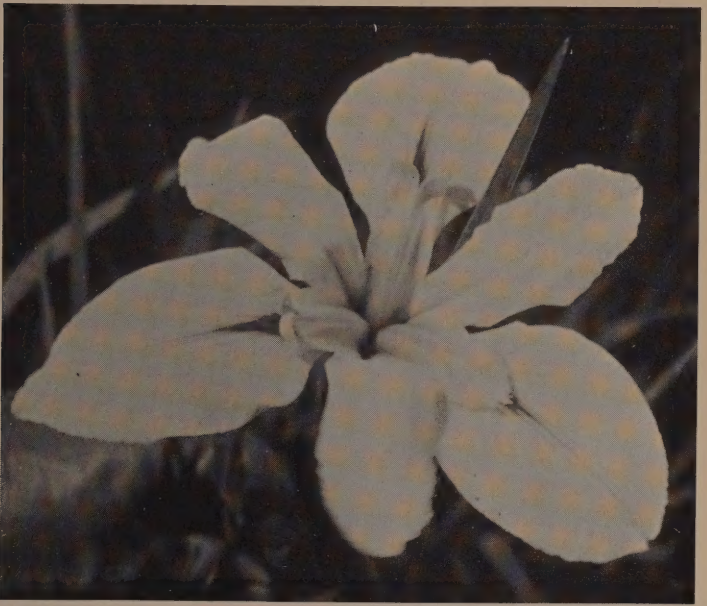

HER HIGHNESS—(Levingston, H. C. 1957) MSD 1959

Large flaring white with broad frilly cream sepals
Price per rhizome\$5.00

BARBARA ELAINE TAYLOR (Taylor, H.M.1955)

In our opinion, still the best white. Show award '52.
6" Wonderful substance with ivory glow at opening.

Price per rhizome50

Barbara E. Taylor — Taylor 1955

Purple

DUKE OF ORLEANS (Butter Brickel x Holleyblu x Buttercup)

Here is a 6" velvety rich red beetroot purple iris flower which has large and distinct deep yellow-orange crests on each sepal. The petals of the flowers are held at about a 45 degree angle while the sepals tend to curve downward at about the same degree. Style arms are narrow and reddish in color. These rich colored flowers are born on strong 4' stems at four and five bud positions. The color fastness and its richness make this iris very appealing.

Price per rhizome\$5.00

PEGALETTA (Peggy Mac x Holletta)

This is a lovely 6" medium light purple intermediate between flat and flaring, a little more flat than flaring. Large clearly defined deep yellow signal patches are found on each fall. Style arms are broad and blend in well with the color of sepals and petals. Flowers are borne on strong 3' stems from midseason to early.

Price per rhizome\$3.00

LATE COMER (Violet Ray x Wheelhorse x Storm Signal)

This is a midseason to late bloomer. It is reddish purple with a rather velvety appearance. Flowers are about 5" in diameter and rather flaring. Signals are very large deep yellow orange that extend well beyond the tips of the style arms.

Price per rhizome\$3.00

ROYAL VELOUR (Conger, Reg. '53) (Roses and Wine Peggy Mac) H.M. 56

The deep richness of Romanesque Violet coupled with a velvety pile and high sheen makes the name of this five inch flower appropriate. There is a deeper veining, too throughout the flower. No perceptible signal patch mars the deep richness of the coloring. 30", mid-season. Lafayette Civic Club Award, '53. H.M. '56.

Price per rhizome\$2.00

VIOLET RAY (Dormon, C., '50) MSD '53, HM '51

Each year this iris wins more admirers. It's really amazing to see such a huge flower that is so sturdy and at the same time graceful, not to mention the beauty of the color pattern—pansy purple with cream rays, edged with cream. The sepal is wide, the petals twist, the general form campanulate. The flower is carried on a stalk in proportion to size bloom. Our favorite from Miss Dormon.

Price per rhizome\$1.00

THE KHAN (Dormon, C., '50) MSD 1955

Miss Dormon's excellent warhorse in darkest red-violet with a "big eye" of gold as a signal patch, substance heavy texture of velvet, excellent flower placement, vigorous, 7" flowers, 30"-36", midseason.

Price per rhizome\$1.00

KISATCHIE (Davis 1958)

Dark, velvety violet with an iridescent luster. Standards of Seville violet and falls of Vatican purple with yellow line at crest. Flat, 5" flowers of excellent substance. Plant vigorous and rust resistant.

Price per rhizome\$1.00

Yellow to Buff

GREEN TRACERY (Dorman 1954)

Self of palest yellow to deep cream classed as "Pineapple" by M. & P. Heavily veined with green lines. Upstart x (The Kahn x Orchadee).

Price per rhizome\$15.00

MORNING TREAT (Louise Army x Locketts Luck)

This iris has a beautiful color falling between a shade of peach and that of salmon. Distinct orange-yellow line crests are surrounded by a deep prominent maroon colored margins. The maroon color tending to extend out the veining of the falls. The styles are board and tough with a pinkish cast that blend well with the flower color. The flower is rather flaring with the falls tending to recurve a bit. The 6" flowers possess a great deal of substance, are born on 2½' strong stems, and begin opening about midseason. One of the most beautiful color combinations we have helped developed.

Price per rhizome\$15.00

BUTTER BRICKEL (Peg Mac x ?) Army Reg.

Large flat ruffled butter scotch colored flower 5", 24" high, late season. Lots of substance and does not fade. Usually five bud positions with two or more flowers opening at the same time.

Price per rhizome\$5.00

GOLDEN HERITAGE (Chowning 1956)

Rich, golden yellow with light tan crest marking and chocolate veining. Healthy and vigorous plant.

Price per rhizome\$3.00

LSU TAN (Ornamental Horticulture, LSU 1959)

Colonial buff with 5" flowers on 32" scapes. Best in "Buff to Yellow" class in 1956 state show of Society for Louisiana Irises. Sister seedling of 'LSU Beauty'.

Price per rhizome\$2.00

DIXIE DEB (Chowning, '50) H.M. 1956.

Outstanding garden variety of sulphur yellow, graceful twisted form, most floriferous, blooms much longer than competing varieties, flower arrangers delight, excellent branching — in other words we like it! 5" flowers, 36" - 48".

Price per rhizome\$1.00

PINK — MAGENTA

W. B. MACMILLIAN (Conger 1957, Bayou Glory x Acadian) H.M. 1959.

Flower span 6", Petals 3" long, 1½" wide overlapping in center of flower under style arms; Color Mauve rose pink; Sepals 3½" long 2½" wide informally imbricated, mauve, rose around signal patch darkening toward edge to magenta red, stalk is 30" to 40" high with one or two lateral branches bearing 7 to 9 flowers. The flat form of overlapping floral arrangement with bright signal, contracting style arms and claw, and the ruffled edges of the sepals are exceptional. Midseason bloomer.

Price per rhizome\$5.00

W. B. McMillian — Conger 1957

JOYCE (Arny 58, Breeding record lost) H.M. 1959

This iris grows 2 ft. tall, produces a bi-tone rose blue flower at four bud positions. Flowers are 4½" across, flat and slightly fluted with as much substance as I have seen in any iris. This is a very striking iris with its bi-tone color and yellow green line signal. Mid-season to late.

Price per rhizome\$3.00

MARQUIS DE LAFAYETTE (Holleyman 1957)

Large rose-pink with a greenish-gold crest. Vigorous and rust resistant.

Price per rhizome\$5.00

Marquis de Lafayette — Holleyman

ROSE ROYAL (Bayou Glory x Roses and Wine x Peggy Mac).

Reg. Pend 30" to 36" in height. Large campanulate shaped flowers of orchid pink infused with gold heavily overlaid rose-pink. Large yellow-gold signal surrounded with lighter pink tones that are almost white. Stalk contains not less than seven buds and as many as ten.

Price per rhizome\$5.00

Rose Royal — Conger

MULBERRY MOUSSE (Roses & Wine x Bayou Glory)
Registered 1957.

28" to 24" in height. On a smooth background of orchid is heavily reticulated and sparsely splashed mulberry purple. The form is campanulate to flat Abbeville in form, an exception in this line of breeding. Excellent in flower arrangements and corsages.

Price per rhizome\$1.00

BAYOU GLORY (Conger, '53) H. C. '52, H.M. '53

Sepals of Rose Petal; petals of Meadow Pink; large bright signal patch of Golden Rod; overlapping campanulate form; wide floral segments; excellent lateral branching 30" stalks; midseason.

Price per rhizome\$1.00

BAYOU SUNSET (MacMilliam, 1943)

S.L.I. Show Reward 1944, M.S.D. 1949, H.M. 1950. Popularity award, 1952. 8" soft rose flower with radiating golden signal Large floral parts height 2'. One of the best Louisiana Iris.

Price per rhizome50

PEGGY MAC (Mac Millan, 1943)

6" Magenta rose, flat overlapping form. Height 30"

Price per rhizome\$1.00

Lavender - Pink

ROYAL LADY (Her Highness x Wheelhorse) H.C. 1958

A large 7" full pale purple flowered iris with overlapping sepals and petals that are slightly recurving with frilled edges. The falls are decorated with bright yellow crests. Grows 3½ - 4' tall, blooms about mid-season. Received Captain R. S. Abbott Jr., award 1959 and the Lafayette Civic Club Award 1958.

Price per rhizome\$5.00

PLAIN FOLKS (Holleyman 1958)

Veined rose bitone with yellow-green signal patch. Dark veins radiate from signal to border of falls. (Storm Signal x Wheelhorse).

Price per rhizome\$5.00

MISTIS (MacMillan 1957) H.M. 1958

A huge pink to lavender bloom, beautiful carriage on strong 36" bloom stalks. Early bloomer. Winner of Captain Stuart Abbott Award 1958.

DORA DEY (Arny Reg. 1957 Bayou Sunset x blue *giganticaerulea* seedling from S.L.I. Test Garden, 1952 H.C. 1957.

A very striking bitone, flaring light purple to lavender. Five to five and one half inch flower, 4-5 bud positions with 2 buds at all positions and branching. Large yellow signal, tending to be radial. Three to four flowers opening at the same time. Very beautiful and good grower. Height 36" mid season to late.

Price per rhizome\$1.00

EASTER SURPRISE (Arceneaux 1953).

Light pink to orchid with a radiating, chartreuse crest. Plant vigorous and rust resistant. H. M., A.I.S. 1955.

Price per rhizome\$1.00

LOUISE ARMY—Chance seedling, 1952 H.M. 1957

Pastel blue to lavender shading to light yellow with age, with orange-yellow dagger crest. The flower is a 5" flatcupped and ruffled, in form, with great substance. Flowers borne at 4 positions, frequently 2 buds at each position. Height 36", mid season to late. Third place in blue class at Society for Louisiana Iris Show, 1954: First place in blue class at State Show of Federated Gardens Clubs of Louisiana, and second Best flower of State Show.

Price per rhizome50

CAROGINA (Conger, Reg. 1958) H.M. 1950

A decided bitone that has 6-inch flowers of campanulate form displayed on a 30-inch stalk. The almost orbicular sepals are deep cream heavily veined and splashed on the edge dahlia carmine. The petals are cameo pink. Mid-season.

Price per rhizome50

L.S.U. BEAUTY (L.S.U.) 1959) H.C. 1959

A fine 6" flat to dropping ruffled pink iris growing 3' tall. Best unregistered iris in 1956 show of the Society for Louisiana Irises.

Price per rhizome\$3.00

KISSIE Arny Reg. 1957, (Peggy Mac x Bayou Sunset) H.M. 1958.

Large 6" flat to slightly cupped Lelia Pink flowers with no crest or signal. Flowers have excellent substance and color fastness. This iris grows 3 ft. tall and flowers are born at five bud positions. Midseason to late.

Price per rhizome\$2.00

ELLA B. RAVIS (Conger, Reg. '53) #49-55-2 (Roses and Wine x Peggy Mac.)

From the same breeding as Sara Gladney and Royal Velour comes this clone, a bright pink of campanulate form, overlapping segments — a smaller sized Sara Gladney in form. The 5 inch flowers of light Meadow Pink are splashed Dahlia Purple. A Favorite in the garden this season. 30", midseason.

Price per rhizome\$1.00

JOY ROBERTS (Roberts-Richard-Kelly)

Known as "Robert's Pink Foliosa" this variety is a typical foliosa in every respect except its soft pinker-than-French-Lilac color . . . The signal patch is surrounded by an Oyster White zone that adds much to its charm . . . A most beautiful iris for arrangements and corsages. 4½", 18-24", late.

Price per rhizome\$2.00

SARA GLADNEY (Conger, '53) H. M. '53) Abbott Memorial Award '53.

Perfection of frilled, flaring, campanulate form coupled with size and overlapping floral segments, medium rose-magenta-violet (Coronation, M&P), one of our proudest.

Price per rhizome\$1.00

U. S. L. No. 9 (Nelson)

A lovely small pink, flowers very full and overlapping. Flowers are born on 2 ft. stems, midseason. The size and shape of the flowers make it well suited for corsages.

Price per rhizome\$5.00

COLLECTIONS

1. Beginners Collection — one each of red, white, rose to pink, yellow to buff, purple and blue colored irises. Not labeled as to variety or color, a mixture of good seedlings and or named varieties\$1.50
2. Beginners Named Varieties Labeled Collection — same as collection No. 1 except all iris are named varieties and will be labeled.\$3.00
3. Pastel Pals Collection 6 labeled varieties of our selection, from the following varieties: Kissie, Louise Army, Dora Dey, Blue Chip, Easter Surprise, L.S.U. Tan, Dixie Deb.\$5.00
4. Mardi Gras Collection — 6 labeled deep colored varieties: Chuck, The Kahn, Violet Ray, Sarah Gladney, Cherry Bounce, Royal Gem, Plum Good, Bayou Glory, Peggy Mac, Puttytat.\$5.00
5. Half and Half Collection — 8 labeled varieties, 4 varieties of deep colors from varieties listed in collection No. 4 and 4 varieties from varieties listed in pastel collection\$7.00
6. Debaillon Award Winners—Collection of 8 named and labeled varieties having won the Mary Swords Debaillon Award in previous years. The varieties included in this collection will be: Bayou Sunset, Cherry Bounce, Royal Gem, Violet Ray, The Kahn, Blue Chip, Wheelhorse, Her Highness, and Louise Army\$9.00
7. Our Prize Collection—12 labeled iris varieties all different, including the colors of red, pink, yellow, purple white, and blue, selection of varieties left to us.\$15.00

We urge you to join the American Iris Society. Their 4 Bulletins a year will bring you good information on all kinds of iris culture. Dues \$5.00.

Consider this a special invitation to become a member of the Society for Louisiana Iris. Dues \$2.00.

PLEASE SEND PAYMENT WITH ORDER. TRANSPORTATION ON ORDERS OVER \$10.00 WILL BE PREPAID. ADD \$.50 FOR ORDERS UNDER \$10.00. BEST TIME FOR DELIVERY IS FROM SEPTEMBER-OCTOBER BUT WE WILL DELIVER AS REQUESTED. SPECIFYING ACCEPTABLE SUBSTITUTIONS WILL HELP.
